

This week saw our first in-school snow day this year. The children had a wonderful time, making footprints, building snowmen and wall-caterpillars! You can see their adventures on the school website. We also held Internet Safety Day, with each class looking at different aspects of keeping safe online. We hope that the children share some of their learning with you at home, to ensure that they stay safe on the internet.

Wishing everyone a wonderful half term holiday,
Mrs Battersby

It is very important that your child's bike is in good working order, the correct size and their helmet covers their head. Bikeability will take place from the 5th-9th March so children will need to have their bikes, helmets and a spare change of clothes with them all that week.
