Mission Statement

'Mighty Oaks from Little Acorns Grow'

We will do our best, be happy and honest, show respect and be friendly.
At Cartmel we create a happy caring environment based on Christian Values, where we value every child and encourage them to strive for their highest standards of achievement. We ensure that our young people go into the world as confident, independent, responsible citizens with a love for learning.

Our Mission Statement pays homage to our conviction that there is something potentially wonderful in every individual.

Our aim is to.....

1. Promote the children's enjoyment of art
2. Provide a balanced, appropriate and continuous programme of art for all the pupils throughout the school
3. Provide a programme which builds upon previous experience and skills and extends capabilities further
4. Give art credibility and status within the school by displaying it in classroom and shared areas.

We believe that although the teaching of art is a process whereby the children can learn the procedures and applications of different

techniques, it also supplies them with opportunities to express their feelings towards and their understanding of the world around them.

ENTITLEMENT

All children will be taught the skills and knowledge of art as outlined in the New Curriculum. The children will have regular opportunities to revisit and develop their skills in painting, drawing, printmaking, textile work, modelling and sculpture.

ORGANISATION

Art activities are organised by the individual class teacher for their class. Management of pupils during these sessions varies depending on the type of activity. A record of the children's work may be kept in their sketchbook, topic book or class folder.

During the course of their work they will be introduced to the work of famous artists and traditions. This may have links to the topic or be part of a separate study with possible links to other curriculum areas.

- DISPLAY WORK IS A WAY OF DEMONSTRATING THE QUALITY OF TEACHING AND LEARNING THAT IS OCCURRING IN OUR SCHOOL. WE WORK HARD TO ACHIEVE AND MAINTAIN A HIGH QUALITY OF DISPLAY AND IN DOING SO WE ARE HIGHLIGHTING THE SCHOOLS EXCELLENT STANDARDS.
- FIRST IMPRESSIONS ARE OFTEN THE MOST IMPORTANT. AS A SCHOOL WE WANT PEOPLE TO REMEMBER US.
