

Year 6 are still in York at the time of writing and are having a wonderful time.

This week has been another busy one. We started the week with the KS2 performance of Kitty Whittington directed by Miss Bonney which was a fantastic evening. A huge congratulations to all the children who took part. You have all worked really hard and the show was amazing. Miss Bonney (our Class 3 student teacher) is due to leave us today.

She has done an outstanding job while at school and we wish her well for the future.

The KS2 children took part in the cluster athletics competition on Wednesday without the year 6's. It was another very hot day and the children all performed brilliantly.

Next week we look forward to the Lion King performance at Cartmel Priory school and the Y5 children are taking part in Swim Safe at Brockhole with the added treat of the tree top trek. Friday is Forest school for the whole school.

Mrs Yarrow will issue a letter about this next week when she has returned from York. Have a great weekend everyone and keep safe in this hot weather.

Term Dates for 2018/2019

Following the Race Day this year, it has been agreed with the local authority that next year's Race Day with Concert, scheduled for 28th June, will be taken as a staff training day (Inset). Children will therefore be in school from Monday 7th January, rather than the Tuesday 8th January on the Cumbria Term dates for 2018/2019.

Summer Reading Challenge

Help us win £250 worth of new books for our school

The Summer Reading Challenge is a national scheme that all libraries in Cumbria have taken part in since 2001. The aim of the challenge is to develop a lifelong love of reading in children and prevent the 'summer reading dip'. This year's theme, Mischief Makers, ties in with the 80th anniversary of The Beano. It is free for children to join the challenge.

How the Challenge works

- Children sign up at their local library.
- Children borrow and read six books of their choice from the public library, collecting stickers along the way.
- Members of library staff and young volunteers are on hand to advise and run family-friendly activities.
- Children who complete the Challenge will receive a medal and certificate.

This year we want to appeal to children's competitive streak to get even more of them reading through the summer. Visit your local library to sign up!

Hot weather

Some children are still coming to school **without** water bottles. Please make sure your child has one each day and it is **named**.

Our school needs you! Help us win £5,000 of National Book Tokens for the school library - and get £100 for yourself! Just enter the competition online, it only takes a minute:

The more entries we have the better the chance of winning!!

Rounders Night

Thank you to everybody who has confirmed their attendance to our BBQ & Rounders event – it's going to be a lovely event. If you haven't got your forms in, but would still like to attend please let Lisa in the office know as soon as possible. Feel free to come and enjoy the BBQ – you don't have to play rounders but do let us know numbers so we can make sure we have all the food we need.

Virtual Reality at the Priory

A while ago a few of our children were asked to take part in filming using the new virtual reality equipment at the Priory for Songs of Praise. The program is due to be aired on Sunday 8th July.
Get your telly on!!

For health and safety reasons we would appreciate if you would not let your children play down the side of the school (by the boat/greenhouse) outside of school hours. Similarly, if after school club are using the playground/wooden equipment, these areas will be out of bounds.
