

CARTMEL CE PRIMARY SCHOOL

Newsletter March 11th

2016

I am so very proud to announce our recent sporting successes. All our gymnasts performed exceptionally well at the Cluster Gymnastics. Our Year 5 & 6 girls gained first place and will now go on to represent the South Lakes in the Cumbria County Finals in Penrith just prior to the Easter holidays. Our Year 6 boys won the football trophy for the second year running! Well done to all those pupils who participated and thank you for representing our school so well. Thank you also to the staff who supported them along the way in their training.

On a separate note...the playground amendments are due to commence on Monday and will most probably take two days. The goalposts will be lowered to 2 metres in height, the fencing put into green and the solid panels moved to the corners of the structure. I am hoping that we can quickly get the MUGA (Multi-Use Games Area) open after this time, although I am anticipating the need for a further independent post-installation check. I thank you again for your patience with this, both children and parents. I am getting the red ribbon ready for the grand opening...I think we need to have one!
