Pupil login section of the school website

http://www.cartmel.cumbria.sch.uk/

If you're logging into the website via a laptop/computer, you should find the login at the top of the page.

Once you click on the link, this box should appear →
This is where you can input the login details school have provided.

If you're using a tablet or similar device, the pupil login section might be at the bottom of the school's webpage.

Next, it may ask for a verification code, following a recent update to the website.
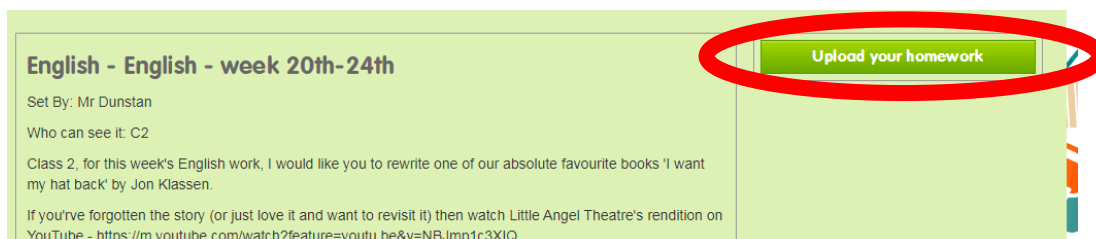

Once logged in, you'll be able to see the Dasboard home screen, which looks like this:

This is where you can see any work that has been set by teachers in the 'homework' section. You can also read/write blogs – share what you've been up to or see what others have done.

Once you've completed a piece of homework (maybe you've taken a picture of it or are able to save it as a Word document), you can upload it to share it with your teachers.

Or simply post your work in the reply section to share it with everyone:
